

TIFFIN GIRLS' MUSIC SOCIETY

Congratulations on joining The Tiffin Girls' School where a range of incredible musical opportunities are available to your daughter. The Music Department endeavours to provide a top class music education on a limited budget in difficult financial times when schools face continual budget cuts.

Tiffin Girls' Music Society exists to support music at the school. Our fundraising is essential for purchasing instruments, sheet music and providing choral, string, percussion and brass ensemble coaching. We invite you to join the society for £35 as a family or £20 as an individual per annum.

1. The Benefits of joining Tiffin Girls' Music Society

- a) Enabling the school to continue to offer the wide range of outstanding music ensembles that are freely available to all girls at the school and thereby contribute to the social and musical development of your daughter.
- b) Ticket prices for concerts are sold at a discounted rate giving a typical saving of 25%.
- c) TGMS provides DBS checked volunteer stewards for ABRSM exams giving parents and students the convenience of having exams on site, with access to a professional piano accompanist where required.

2. Choirs, Orchestras and Music Ensembles at TGS

There is an outstanding range of co-curricular activities on offer for students at the school from the Percussion Ensemble, Indian Orchestra and Wind and Brass Bands to the Tiffin Girls' Choir and Symphony Orchestra. All ensembles are provided for **FREE!**

3. The Benefits of Music for your Daughter

It has long been recognised in academic studies, that participation in music and learning an instrument benefits language, memory and logical thinking. The girls of TGS's music ensembles would add to that list; *"it's a great way to make new friends; its lovely to be part of a group and to perform; and it is a fun way to unwind."*

We welcome you to the Society. Please complete the form overleaf.
