

Timetable for Admission Appeals for The Tiffin Girls' School 2021

We go to great lengths to ensure that our admissions system is fair and that all relevant policies and procedures are followed rigorously throughout the process. However, parents have the right to appeal the school their child attends under legislation produced by the Department for Education (DfE). You have the right of appeal if you have parental responsibility or if you care for a child who lives with you. If you wish to appeal, you must complete an appeal form. For September entry appeals, appeals will be heard in line with the timetable set out below. For all other appeals, appeals will be heard within 30 school days of the appeal being lodged as set out below. Please note that appeals are not heard during any of the school holidays.

For entry to Year 7 in September 2021

The admissions policy may be found here: [Admissions Policy 2021](#)

You should think carefully about whether to appeal the decision not to offer your child a place at The Tiffin Girls' School. To admit a child who has not met the required standard for entry, or not to adhere to our selection criteria, would be incompatible with our published admissions policy. Please be aware that the waiting list and the appeal process are completely separate. Making an appeal will not affect your child's position on the waiting list.
